Mission Update/Prayer Letter!!!

We were invited to a church service at Tampa Shores Community Church, with Pastor Vergil Morgan, this past Sunday morning to give a presentation on our mission work! We had a wonderful time getting to know the church people at TSCC and fellowshiping with them! Not only did the church give us a love offering, but they took us on for monthly support!!!! Praise the Lord!!!

Little by little we are raising our support to be able to serve the Lord as full time missionaries with Cabecar Indians in the rainforests of Costa Rica! Our goal is to raise \$2,500 in monthly support, which means churches and/or individuals pledging to give a certain amount each month to help us share the Gospel and make disciples of Jesus Christ with these precious Cabecar Indians.

Please continue praying for us and that the Lord would provide all of our needs and support! If anyone would be interested in giving or having us in to your church for a mission presentation, please contact me! Or you can send a donation in to our mission address:

Grace to Grow Ministry  
1016 Old Airport Rd.,  
Bristol, VA 24201.

We now have a GoFundMe page set up. Here is the link:

Thanks to all of you who are faithfully praying for us and/or supporting us!!!

Every Blessing,

Hutton Update/Prayer Letter!!!

First, let me say Thank You for taking the time to read this! Thanks also for your continued prayers and support!

We appreciate all of the support that you all have given us or sent in for us to our mission agency, Grace to Grow Ministry! We couldn't do it without your prayers and support.

We thank the Lord for the opportunity that He gave us to be in Tennessee this weekend for a Missions Conference at The Answer Baptist Church! We thoroughly enjoyed our time there getting to know all the people and being able to share and present about our Mission Work to the Cabecar Indians in the mountainous, jungle regions of Costa Rica!

Please continue praying for us and our support. We are still at about 25% of our needed support right now. It has been difficult to raise support and set up meetings at churches and travel to the meetings due to Quintin still having to work full time, around 55 hours a week. His work is outside in the FL heat doing hard labor, and by the time he gets home, he is exhausted!

HOW CAN YOU HELP US???

1. You can help us by praying!
2. You can also help us by being a monthly financial supporter.
3. Another way you could possibly help us is by talking to your Pastor for us and helping us get a meeting set up with your church for us to give our presentation of our mission work with the Cabecar Indians. Our presentation can be condensed to 5-10 minutes or it can be longer, whatever works best for your church schedule.

Please let us know if you would be interested in helping us!

Philippians 4:17 says, "Not because I desire a gift: but I desire fruit that may abound to your account."

Thank you!

Every Blessing,

The Hutton Family

# August 2016 Updates

Aug. 10th  
Update!!!

We are still moving along in raising our support to be able to move down to Costa Rica as missionaries in January, Lord willing, to serve the Lord with the Cabecar Indians.

We had a good amount of support sent in this past month with donors giving amounts such as \$500, \$100, \$50, and \$25! We praise and thank the Lord for this! We have some donors who are faithful monthly supporters, and some who are one-time givers! We greatly appreciate all the gifts and support that has been sent in! We have about 25% of our support that has been raised, so that means we need another 75% of monthly support to go! If you would be interested in supporting us monthly or with a one-time gift, the mission address is:

Grace to Grow Ministry  
1016 Old Airport Rd., Bristol, VA 24201  
Please continue praying for us!

# Cabecar Indian Mission Work

THE HUTTON FAMILY

Dear Family and Friends,

June 2016

Colossians 4:17 says, "Take heed to the ministry which you have received in the Lord, that you may fulfill it."

For the last few years, we have known that the Lord has wanted us to serve Him in full time missions, but we had been waiting on Him to show us where He would have us serve Him. We believe that the Lord has opened up the doors and called us to work with an indigenous group of people in Costa Rica called the Cabecar Indians. These Indians are located in the rain forests of the mountainous regions in Costa Rica. There are about 12,000-15,000 Cabecar Indians, and they live in family clans spread throughout the jungles. They speak both the Cabecar Indian language and Spanish. Between 95-97% of these Indians have never heard the Gospel of Jesus Christ!

On our survey mission's trip to visit the Cabecar Indians in April 2016, we were able to meet and spend time with three different families. We were able to speak to them in Spanish about the Lord and His Word, and they were very open to hearing about Jesus Christ and the salvation message. We were also able to take them some needed food items such as rice, sugar, coffee, chicken, and more. Along with the food items, we gave them some practical gifts for the men and women and toys for the children.

We are so excited to be able to serve the Lord with these Cabecar Indians, and our moving date is set for January 2018! We have been raising our monthly financial support since May 2016, and we have about 75% of our needed monthly support. We will be sharing the Gospel, discipling, and helping plant churches. We will also start ministries such as medical clinics, a Christian school, a Bible Institute, Bible Studies, Helps and Needs Ministry, and more.

Our mission agency that we are with is Grace to Grow ministry out of Bristol, Virginia (Senior Pastor, Dr. Brad Davis). Our sending church is Woodland Community (Baptist) Church in Bradenton, Florida (Senior Pastor, Dr. Tim Passmore).

Please pray for us as we continue to follow God's plan and the ministry that He has set before us. If you would like to give or support us with a monthly financial pledge, here is the address you can send your donations to:

Grace to Grow Ministry  
1016 Old Airport Road,  
Bristol, Virginia, 24201

Love and Blessings,

The Hutton Family  
Quintin, Melanie, and Justice (and baby on the way)
