

Our Partnership Program

What will be available to those who become Partners with this mission?

Become a Partner With our Goals

It is our heart's desire for our partners to fully understand what our ultimate mission is and how we can reach our main goal together! There are many paths to accomplish the ministry, but only one goal. The one main goal of our mission is the Great Commission. Join us as a partner with reaching this goal as a team on the foreign mission field in the jungles of Costa Rica. Together, we will reach an unreached people group- the Cabecar Indians!

"Go ye therefore, and teach all nations, baptizing them.. teaching them to observe all things whatsoever I have commanded you..."
-Matthew 28:19-20

- Souls won for Christ
- Converts baptized
- Believers taught and led to reach souls with the Gospel of Jesus Christ
- Believers trained to teach others the Word of God
- Believers gathering together for worship and work as the body of the Church

"And he said unto them, Go ye into all the world, and preach the gospel to every creature."
-Mark 16:15

Become a Partner With the Work That Awaits Us at This Very Moment!

We want the partners involved with this mission to know precisely what they are investing in. We cannot do this mission alone; therefore, we must have the partnership of individuals and churches to reach the unreached Cabecar Indians. There is a great need for us to live on the mission field, so we can get to work! As soon as we move to Costa Rica to reach the Cabecar Indians, there are works awaiting us!

These are the works that are ready and waiting for us right now:

"a door was opened unto me of the Lord"
-2 Corinthians 2:12

- Evangelistic journeys (Bible Studies, house churches, gatherings to have fellowship together while preaching the Gospel and providing meals, and travels to work in the fields with the men)
- Establishing house churches
- Using a donated church building for ministry
- Serving the medical emergencies / needs of the Cabecars with our Aviation partners, Les and Jane Zerbe
- Aviation scouting
- Connecting with Bible Translation organization
- Reaching out to Cabecar men to begin leadership training for ministry
- Starting a children and teen youth camp
- Medical ministry

Become a Partner With Mission Trips With Us

Another way we envision individuals and churches becoming partners with our mission work is through our mission trips! We want you to know exactly what awaits you on the field when working with us to reach the Cabecars for Christ. Mission trips will be organized and offered to all individuals and church partners. These trips will be affordable and in a safe environment.

The following is what you or your church will have the opportunity to be a part of on the mission field:

- Evangelistic journeys and home visitations
- Bible Institute
- Medical ministry
- Preaching with meal gatherings
- Vacation Bible School
- Christian schooling
- Youth camps
- Building projects
