## WANT TO BE A PARTNER WITH THIS MISSION

---

We are looking for a team within a community of Bible believing churches to serve with us on the field. If you would have interest in ministering with us among the precious souls of the Cabecar Indians, please speak to us about your interest in serving.

## Mission Work to the Cabecar Indians

We are the Hutton family, and God has called us to serve an indigenous people, the Cabecar Indians, in the rainforests of Costa Rica.

# MINISTRIES

## House Church Planting

Our mission is the 'Great Commission'. We will be evangelizing the Indians with the Gospel of Jesus Christ in their homes so that souls can be saved and baptized and then led into a community of believers.

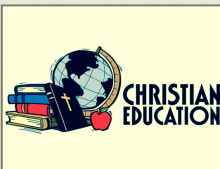

## Bible Studies

We will have weekly Bible studies where the born again believing Indians will have the opportunity to get to know the Lord Jesus Christ and be discipled in God's Word. These Bible studies will also give us the opportunity to witness and reason with the unbelievers.

## Bible Institute

We will start a Bible Institute where we will teach and train the Indians to be fully equipped as disciples of Jesus Christ by rightly dividing the word of God through the consistent and thorough study of the Bible.

## Christian School

We will provide young generations with a Biblically based education by teaching them the relevant subjects and curriculum according to their age and grade levels.

## Medical and Needs

We will offer Medical assistance to the Indians through Medical ministry visits. With our aviation ministry partners we will also help with emergency assistance. Food and clothes will be provided too.

# NEEDS

## Vehicle

Our mission will require us to travel throughout a mountainous and rugged terrain quite often, so in order for this to be done safely, a four-wheel drive truck will be needed.

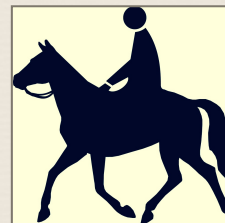

## Monthly Support

In order to carry out this mission, consistent monthly living expenses are needed to keep us living near the Cabecar Indians.

## Travel Guide

For us to reach the Indians we will need a full-time guide to help us minister to the Indians.

## Horse Travel

No roads exist into the jungles where the Indians live, so horse travel will be a necessity for us to reach the Indians with the Gospel of Jesus Christ.
