Become a Partner with Our Mission to Reach the Cabecar Indians

Would you commit to becoming a financial partner with this mission each month?

You may ask the question, “How is this mission any different than other missions that I’ve heard about?”

Did you know that one third of the people on Earth live in ‘unreached people groups’? Or have you heard that 1 in 4 people still remain without reasonable access to the Gospel of Jesus Christ? These people are known as the forgotten one fourth of the world.¹ These groups remain without a community of believing Christians with adequate numbers and resources to evangelize their own people group.¹ These are the ‘unreached people groups of the world. The Cabecar Indians, whom God is sending us to reach, are an ‘unreached people group.’ They are in need of hearing the Gospel of Jesus Christ.

You may wonder, “Why should I become a partner with this specific mission versus other missions?”

Did you know that a study as shown that out of every \$1.00 (one U.S dollar) of Christian giving to all causes, only half a penny goes toward pioneer church planting among least reached people groups?¹

We need people to care about the Cabecar Indians who are in the category as a least-reached people group. Missionaries reaching unreached people groups need people like you— people with a great step of faith, people who will pray for this mission, people who will join in with supporting this mission, and people who will share with us a burden for the souls we are seeking to win into the kingdom of heaven.

You may say, “I don’t have the time” or “We don’t have the resources to help.”

I firmly believe all people do. We can all make time for those things we most care about. Whether we are able to give as Jesus saw the widow put in or a large amount as the people gathered and brought together to build God’s temple with Solomon, please consider this mission as part of your church’s heart concerning resources. Yours and the church’s thoughts and prayers are just as needed.

Or you may say, “Okay! I want to know more. I want to learn everything about this mission.”

We want you to know as much about our mission as possible. We would ask that you please contact us by phone at (813)-965-2901 or by email at HuttonFamily.CabecarMission@gmail.com. We would also be available to set up a video Skype meeting. We are here to provide you with all the needed information about our mission. Please, take a look at who we are and what this mission is all about. You will not regret partnering with us and reaching the Cabecar Indians in the jungles of Costa Rica.
