To whom it may concern,

On rare occasions in my thirty-seven years of ministry, I have witnessed a pioneer missionary spirit in someone. The desire to go where no one else has gone, to reach untouched people groups and blaze new trails. Such is the spirit and vision I see in Quintin and Melanie Hutton. They are dedicated missionaries of great possibilities of what God can do among the Cabécar Indians. Melanie and Quintin's zeal and passion is to share the Gospel with those poor people and minister to their needs.

The Hutton's are a unique family willing and ready to make great sacrifices to follow God's will for their lives! They are very worthy of your consideration and prayers.

Sincerely,

Dr. Brad Davis
President
