

Les and Jane Zerbe

Helping missionaries reach remote ministry locations through aviation.

1-336-844-4368 reaches us in Costa Rica

November 20, 2017

To whom it may concern:

I would like to introduce and endorse my partners in the mission to the Cabécar Indians of Costa Rica, Quintin and Melanie Hutton. This couple has shown us that they are ready, willing, and equipped to do the work that awaits them on the field as missionaries to the people that God has called them to serve. We both share a God given burden for the Cabécars. We will be working together to evangelize and serve the emergency and practical needs of the Cabécars by way of the aviation ministry. The Huttons will serve in close proximity to the Cabécars, doing all that God has called them to do for the ministry. We, the Zerbes, will provide logistics for regular evangelistic meetings and aviation support.

Quintin has a deep compassion for souls, is very zealous in seeking out Scriptural truth, and is determined to follow the Lord wherever he may lead. He loves to take on a challenge. Melanie learned to speak Spanish fluently as a child when her parents were missionaries in Costa Rica, observed missionary life first hand, and obtained valuable insights into living in another culture. She has three years of nursing school and experience and is also a licensed teacher.

Together this hard working couple have worked with the Lord to raise support independently for the mission, all while working a full-time job, and while rearing two young children. Quintin and Melanie are not quitters, they are determined to accept and carry out their call from Jesus to the Cabécars.

We look forward to working with the Huttons in our aviation ministry to the Cabécars. Many doors and plans await us and the Hutton family in the Talamancan rainforest, reaching the "unreached" Cabécars.

"And He said unto them, "Go ye into all the world, and preach the gospel to every creature."
"Go ye therefore, and teach all nations, baptizing them."

We highly recommend Quintin and Melanie Hutton to you for prayer and financial support. Please, I ask that you consider helping these folks get to the mission field and support them while they are there. Please open your doors to them; we need them in Costa Rica. The Cabécar Indians, as remote as they are, await them and the truth they will bring.

Contact Quintin Hutton at [813-965-2901](tel:813-965-2901) or email HuttonFamily.CabecarMission@gmail.com.
Grace to Grow Ministry, 1016 Old Airport Rd., Bristol, VA 24201.

Thank you for your time and consideration.

Sincerely in Christ,

Les Paul Zerbe and Jane Zerbe

Les and Jane Zerbe are seasoned missionaries... 40 years serving as missionaries to Africa and Alaska... now serving in Costa Rica to the Cabécar Indians. Also an "MK", Les' parents were missionaries in Liberia, West Africa, evangelizing, planting churches, training national pastors and utilizing aviation in remote areas. Les continued this work and will be making sure the Hutton family has transportation to the Cabécar Indians and support in joint projects.
