

# Recommendation Letter

---

Partners in Ministry,

It is my honor and privilege to recommend to you, as the supporting church, missionaries Quintin and Melanie Hutton. This amazing family has been attending Woodland for the past two years and has proven to have a heart for the lost, especially for the Cabecar Indians in Costa Rica. Upon their return from visiting this people group, Quintin and Melanie expressed their clear understanding of God's calling to reach out and serve those in need within this community. We are privileged to invest in their ministry as they engage with those in great need. Quintin and Melanie are in the process of raising support for their life of missions and I highly recommend them to you as a possible missionary investment for the kingdom. They are people of strong character and great passion. I have rarely met a couple as committed to one another and to reach out as partners to bring change in our world. Please feel free to contact me if you have any questions about their ministry. They look forward to having the opportunity of meeting with you personally to share the specifics of their work. Thank you for considering investing in their efforts.

In HIS Love,

Dr. Tim Passmore  
Senior Pastor
