Concerning Where Exactly We Will Live While on the Mission Field

Just recently we began our search on the web for a home for the mission work in Costa Rica with the Cabécar Indians. We found three homes that were positioned near the Cabécars, and they were all in our budget range. So, we contacted the owners. The first owner didn't respond back, the second responded at nearly the exact time as the third owner did. One home only had two bedrooms and the other had five bedrooms. We considered both as prospects, but the Lord led us to the third home, because it was closest to the Cabécar Indians.

We now have a fully furnished home waiting for us in the city of Tuis! We have signed a yearly agreement to rent the home from an owner, Hector Soto, who is a Christian and who is helping the Cabécar through a small mission. He has a Spanish language school in the Tuis area. He also has confirmed to us that we can stay in and rent this home indefinitely if we desire to.

Here is a photo of our home awaiting us in the city of Tuis in Costa Rica! Thank you so very much for your prayers! God has done a great work to find this home for the mission!

The smaller circle in the picture below is the town where our home is located. The larger circle is where we have land with an empty church awaiting us and ready to be put it into action for the ministry.

This is the area we visited on our survey trip and the area where our contact Johnny Soto is waiting for us to get to work with the Cabécars.

These are the works that are ready and waiting for us right now:

Evangelistic journeys (Bible Studies, house churches, gatherings to have fellowship together while preaching the Gospel and providing meals, and travels to work in the fields with the men); establishing house churches; using a donated church building for ministry; aviation scouting; medical ministry; reaching out to Cabécar men to begin leadership training for ministry; connecting with Bible Translation organization; serving the medical emergencies / needs of the Cabécars with our Aviation partners, Les and Jane Zerbe; connecting with Bible Translation organization; starting a children and teen youth camp.

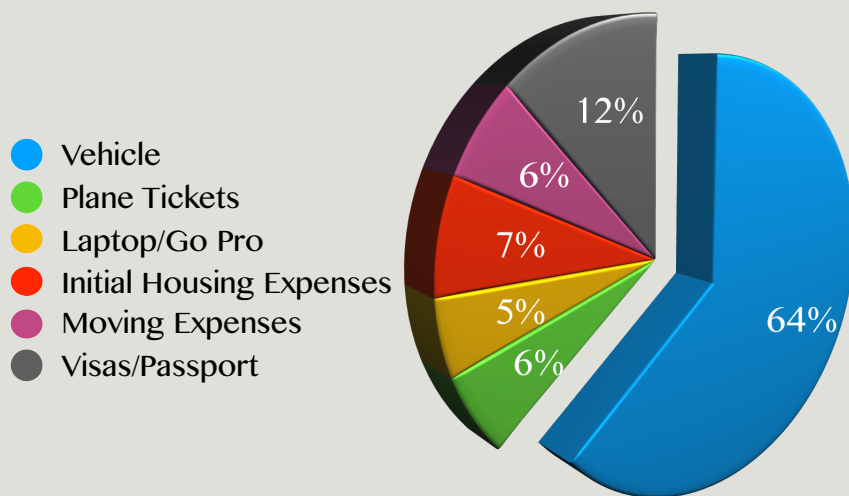

If you have any questions concerning this, please let us know. Thank you so much for your time and love for the Lord and missions!

How awesome it was, to give a presentation about our mission work with the Cabécar Indians, in the Missions Conference at New Hope Baptist Church! It is motivating when we have met with mission minded churches like this! Pastor Thompson allowed for us to present our calling and vision to reach the unreached Cabécars. God connected us with many people who are excited to see what the Lord is doing to reach the Cabécars.

We would like to say 'thank you!' to the individuals and churches that have recently joined up with this mission by supporting us on a monthly basis. Thank you for your partnership with us and this mission! We are very close to reaching our needed amount of monthly support, which will enable us to set out to reach around 20,000 Cabécars for Christ! Thank you to all of you who are investing with your giving to take part in souls being won for Christ!

Our house, here in Florida, is going up for sale this November, and we will be moving to Costa Rica at the end of January, Lord-willing. We ask you to join us and this mission work, and begin giving monthly to the mission. Together we will reach the unreached Cabécars! You can securely give to this mission on our Missions Web page, G2G.world/hutton, where recurring monthly gifts or one time offerings can be set up. (All offerings that you give go directly to us and this mission— no fees are attached or taken.)

If you are not able to commit to a consistent monthly amount, consider this chart below as a way of giving you an idea of our moving costs and needs, and what you could give to further this work that God has called us to!

We have found a vehicle that is a prospect for the mission. It is not cheap, but it is well worth the amount asked for because of its reliability. It is owned by a Christian man from Costa Rica who is willing to sell it to us. It is a 2016 Toyota Hilux, 4 wheel drive, with a Diesel engine. We have been advised that getting a reliable vehicle, such as this, is what would be best for this rugged type of mission work. The price is \$27,300. (We have already raised a portion of this amount for a vehicle.) Vehicles are not cheap in Costa Rica, and to send a vehicle from America to CR would cost far more than is reasonable. We are asking for you to pray with us for God to do an amazing work to provide this vehicle through giving from churches and/or individuals who would be led to do so.

Your one time offering to these needs can be given on G2G.world/hutton, or it can be sent into our Mission Agency's address, which can be found on the web page. We are also on the website of our sending church, Woodland Community Baptist Church, at GoWoodland.com/internationalmissions.

Thank you for your time! If you have any questions or need more info, please let us know.

Hutton Family Mission Update Letter

August/September 2017

Hello Family, Friends, Pastors, and Churches,

Thank you for your continued prayers, and/or support!!! We cannot do this mission work without faithful partners like you!

LOOKING BACK

Hurricane Irma swept through Florida a couple weeks ago, but thank the Lord, He kept us safe! We had no damage to our belongings, and we were without power for only two days. God is good!!!

We met with several churches, life groups, and pastors in the last couple months and were able to present to each of them about our mission work to the Cabecar Indians in Costa Rica. We had a *great time* of fellowship, and we appreciate the time, hospitality, and offerings that were given to us.

LOOKING FORWARD

We have *several meetings* set up in the *next* few months. Please *pray* that the Lord will work in the hearts and lives of the people that we present to that they would *partner* with us concerning our mission work through prayer and financial support.

In the *next few weeks*, we will be finalizing preparations to make our *big move* to Costa Rica as long-term missionaries to the Cabecar Indians. If you would like to become a financial partner with us by being a monthly supporter of our mission work or by giving a one-time offering, the following is a breakdown of our current needs:

- \$500-\$700 in monthly support needed still
- \$10,000 in moving costs (including vehicle, shipping crate, plane tickets, etc.)

Please *keep us* in your prayers! Here are a few helpful links for more ways to connect, give, and partner with us and our mission work:

Hutton Family Mission Update

Deputation / Raising Support

May, June, July 2017

Hello Friends, Pastors, and Family,

First, we would like to give thanks to the Lord for all His many blessings over the last few months! Thank you to all who have given offerings, sent in monthly support, prayed for us, or had us in for a meeting at your church. All of these things have assisted us in getting closer to our target date of January 2018 to move to Costa Rica to finally begin our mission work with the Cabecar Indians.

A special thank you goes out to the following churches and/or pastors that have had us in for a meeting to present our mission work over the last couple months:

- 1.) Elwood Baptist Church (Bible study), Bradenton, FL;
- 2.) Emmanuel Baptist Church, Parrish, FL;
- 3.) Iglesia Evangelica Bautista Rios de Agua Viva, Bradenton, FL;
- 4.) Cortez Road Baptist Church, Bradenton, FL;
- 5.) Bayshore Baptist Church, Bradenton, FL;
- 6.) Pastor Reeves, Palmetto, FL;
- 7.) Southside Baptist Church, Sarasota, FL;
- 8.) First Baptist of Oneco, Bradenton, FL

Praise to our wonderful Lord! We were informed recently by another missionary who we will be working with in Costa Rica, that someone has donated a piece of land and a church building to the mission work in the region we will be ministering in to reach the Cabecar Indians!!! What a huge blessing this is!!!

Another wonderful blessing that God gave us in June, was that our precious baby girl, Verity Eden Hutton, was born on June 28th, weighing 8 lbs. 10 oz., measuring 20.5 inches long! Praise the Lord that she and mommy had a healthy and safe delivery, and they both are doing well! Please pray for us and our son, Justice, as we are all trying to adjust to having a lovely new addition to the family.

Over the next few months, we have more meetings set up with other churches and pastors in the Bradenton/Sarasota area. Please continue praying for us and for the Lord to use as we present our mission work. Pray for the Lord to give us more support and prayer partners.

Every Blessing,
The Hutton Family (Quintin, Melanie, Justice, and baby Verity)

February 2017 Updates

Feb. 20th

ATTENTION Pastors and Mission Partners,

Thank you for your time and for the prayers and/or support that you have invested into our ministry with foreign mission work to the Cabecar Indians in Costa Rica.

We would like to ask you for your help in connecting us with fellow pastors or individuals that you personally know that would have us into their church to present our mission work or that would consider taking us on for support. Currently, we have been calling churches that family and friends have suggested to us, but many of the churches that we have called are either too busy to take our phone call or call us back, or already have too many mission projects they are supporting.

Praise the Lord for His goodness to us and for pastors, individuals, and friends as yourselves who have already committed to helping us in praying or with monthly support. Thank you!!!

If you can think of any pastors, individuals, or churches, could you talk to them about us and our ministry and then pass on their contact details to us via email or private message? We are trying to raise the rest of the 25% of our support in the most efficient way possible.

Again, thank you for your time and help with this and for all your prayers and/or support!

Every Blessing,

The Huttons
